

Lemonade and Leadership

Drop-In Group Coaching in a Relaxing Environment

- Are you looking for a chance to connect with other like-minded leaders?
- Hoping to kick-start your goals?
- Feeling burnt-out from all the economic negativity? Need to refuel?
- Know that you do your best thinking away from your desk when you are inspired by nature?
- Want to work with a top-notch, certified coach and need to find a cost-effective format?

If you're in Guelph, Hamilton, Burlington, or Oakville then you are 20 to 30 minutes away from joining me poolside at my home & office in Carlisle, ON. ([click here for Google map](#))

Picture yourself, lemonade in-hand, being inspired by the fellowship of other smart, accomplished leaders who—like you—want to recharge and continue to raise the bar on their leadership.

We're keeping it simple...

- 6 Thursday afternoons set-aside from 2pm to 3:30pm- June 25-July 30
- You'll register for a package enabling you to drop-in to any 4 sessions.
- There'll be a maximum of 6 people each time.

(If you prefer to just sign-up for an individual session as the week approaches, that's fine too but the package is a better deal!)

This all happens in the relaxing setting of my home in Carlisle. We'll be by the pool, surrounded by greenery and gardens. You'll be able to breathe, recharge and get perspective on the challenges you face.

Each week, we'll solicit topics of interest to the group. We'll also be serendipitous and address what's showing up for you in the "here and now".

Can't wait to welcome you here!
